

AVEON *Cafe*™

*“Some of the world's most effective thoughts
happen over a brew of morning's coffee let's relish
the same with Aveon Café”*

About Aaksh Beverages

Aaksh Beverages Private Limited is a Mumbai based fastest growing FMCG Company. Over the year we have expanded our business in coffee market from our own brand AVEON CAFÉ to various popular Private Label brands.

We currently export to Cafe's, Ingredient Suppliers, FMCG export companies, Retail market, Supermarket chains, Co - packers, Importers, Wholesalers, and Horeca / catering companies. We have been exporting in more than 27 countries, catering to buyers in Europe, Africa, Middle East, and Asia.

Each of our clients is rendered specialized attention and customized service as per their requirement and suggestions. In addition to that we also offer on site shipment inspection by worldwide renowned body like Bureau Veritas, SGS, Contecna to maintain our quality standards.

We pack our products in facilities approved and registered with certificates from ISO 22000 for food safety management system. We also hold certificate like HALAL, ISO 90001 and HACCP.

Manufacturing Packing Unit

Manufacturing/Packing Unit-Our unit is based near Mumbai, the commercial capital of India, 70km close to the port of NHAVA SHEVA and 20 km to the Mumbai Airport, making it easier to transport goods to port in less time and efficiently. We have State of Art facility for packing, and blending of instant coffee in Glass Jar, Stick and Tin (EOE/RLT). These are fully automatic packing units along with NABL accredited certified labs for testing and analysis. Some of the features of our packing units are:

- Hygienic and adulteration free packing.
- The factory adheres to Socio-economic norms that include environmental responsibility, employment and Labor Welfare.
- The unit complies with food safety standards like FSSAI, ISO22000, HACCP, GMP.
- Parts of the packing machine equipment are sourced from Europe, Japan, Korea and India, this together works as a powerful combination in terms of strength, precision, speed and reliability.

Advantages of our pack unit:

- Customized and packing solution as per buyer's requirement.
- In house label and product designing.
- Different packing facility- Glass jars and cans can be customized in various shapes, styles and can be printed or embossed with labels and logo, depending on customer requirements.
